BLACK DIAMOND

FOREWORD

The mighty force of the sword has again cut deep into the flesh of humanity—wounds still made deeper by chains of hatred, indecisions and ignorance—what comes with each dawn must be the effort of those behind the plough shares of PEACE.

WNR.

DEDICATION

Our Garden Maid

Miss Lewis is the garden maid for Pikeville High
She plants her flowers in fertile land of thought.
Their fragrance, touch, and beauty pierce the sky,
As they absorb the nurture she has brought.
She plants ambition in each growing mind
And plucks the seeds of idleness away.
She plants an attitude that's pure and kind,
To blossom and grow sweeter day by day.
The beautiful in nature and the arts
She plants and cultivates with utmost care.
Implanting Heaven's love within the hearts,
She fosters true respect for God and prayer.
Her flowers are traits in precious girls and boys.
Her faithfulness has filled their lives with joys.

MEMORIAM

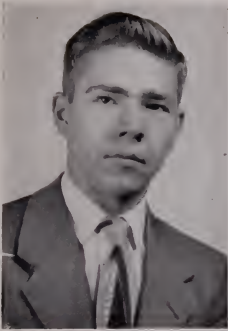

T. W. Oliver

Somebody said that it couldn't be done,
But he with a chuckle replied
That "maybe it couldn't," but he would be one
Who wouldn't say so till he'd tried.
So he buckled right in with the trace of a grin
On his face. If he worried he hid it.
He started to sing as he tackled the thing
That couldn't be done, and he did it.

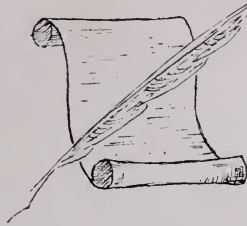

Somebody scoffed: "Oh, you'll never do that
At least no one ever had done it";
But he took off his coat and he took off his hat,
And the first thing we knew he'd begun it.
With the lift of his chin and a bit of grin,
Without any doubting or quitit,
He started to sing as he tackled the thing
That couldn't be done, and he did it.

ADMINISTRATION

SUPT. JOHN M. YORK

Our schools are dedicated to the purpose of offering rewarding educational opportunities to the youth of our community, so that they may develop their talents and contribute to a better community life. By teaching the value of integrity, the importance of moral courage, and the principles of freedom, justice and mutual respect for the rights of others, we endeavor to develop a bulwark against those who would undermine and destroy the political and economic system upon which our nation was founded. SENIOR HISTORY

AS WE LOOK back in the past, we see this drama unfolding before us. A happy group of teen-agers who have shared many moments of happiness and sorrow together. We have had the friendships of many teachers who we shall not forget in the years to come. Our climbing has reached great heights and now, upon graduation, we are looking for new heights to conquer.

Act I

Sept. 5, 1947 was a wonderful day for most of us—our first day of high school. We were just a green bunch of freshmen trying to find our way around the halls.

One highlight of our freshman year was the selection of the Halloween Carnival King and Queen; Ernest McCoy and Jackie Adkins. We are very glad summer vacation is ready to start although we are beginning to get acquainted with the teachers and students of Pike High.

Act II

On Sept. 5, 1948, we came as "sloppy" sophomores with a better feeling of ultimate success among us. We can now call the freshmen "green horns". Though we were pushed out of the limelight for Juniors and Seniors, we knew we were well on our way to becoming Juniors. We had many wonderful moments to remember and our Panthers were building up a power never to be forgotten at Pike Hi.

Act III

Sept. 5, 1949 was another day to remember and when we came back to school and registered as Juniors—This was a very big year for us as we had to select our Class Sweaters and make money to give the Seniors their Banquet and Prom.

Basketball season rolled around and proved exciting to all. The big star of the Junior Class was Dickie Prater, all-state. Our school showed outstanding

CLASS PROPHECY

HOWARD NEWSOME is one of Pikeville's outstanding business men. He owns a night club and a super market. Charles Blackburn has the best job in town; he chases after stray girls. Dudley Elswick is now a great Shakespearian actor on Broadway. After many years of hard training Mona Blevins is now considered a fine nurse. Ann Duke, who has a great singing ability, has become a star of stage, screen and T.V. Milton Layne loves to skate so well that he built his own private rink. John Bill Trivitte has turned over his coaching job to Woodie Preston, with Lee Keene as his assistant. Vivian Coleman is married and settled down in her own little cottage. The latest bulletin is that Roger Crump has just become president of G. C. Murphy & Co. The most outstanding coach of Kentucky is Paul Prater, an ex-Panther. There has been a rumor going around that Clark Ray is running for president of the U. S. The girls don't have stringy hair anymore, for Mary F. Runyon has opened her new beauty shop. Donald Coleman is the chief cook and bottle washer at Coleman's. Joan Coleman and Jane Cccil have turned out to be model housewives. Rondell Damron is in business for himself and has selected Emmalene Spears for his secretary. John Ed Rich has turned out to be a minister and has given up his job at the Liberty. Caroline Caudill has followed her father's footsteps and is now

Poet Laureate of Pikeville. Nada is now playing the oboe in Roger's new dance band. Betty Ocheltree finally has a gold band for the left hand. Mildred Dudley took over Miss Lewis' job as Dean of Girls. Joe Black is singing with the Jack Benny show. James Higgins is just plain fat, too much pastry shop. Christine Johnson just turned out to be an old maid. Mildred Johnson has finally become a champ typist. After wrecking five cars Sammie Lee Thomas has learned to drive a truck. Betty Mae McKinney is still making frequent trips back to Pike High. There is a new policeman in town—Larry Compton. Several were seriously injured during the traffic change. If you have trouble with your car don't take it to Smith's new garage, Dickie might work on it. Bonnie King is now cheerleader for the cub scouts, since the Belfry game. Mary F. Runyon is now working in Howard Newsome's gipp joint. Patsy Coleman is baby sitting for herself these days. Ernest "Carbide" McCoy is a bum. Mildred Young is sticking long needles in arms. Anna Ruth Conway has taken over her mother's job and is investigating skipping. Bobby Porter is now a sailor—watch out girls, he is expected on leave. Victor Justice has also joined up. The phone company is going to the dogs, Augustine Thacker is one of their new operators.

wins over such schools as: Lafayette 45—Panthers 48, Inez 55—Panthers 57; this game sent us to the finals.

Our Halloween King and Queen were Bill Kelly and Peggy Adkins. All our dances this year have been wonderful and now, just think, we are going to be Seniors next fall.

Act IV

Boy! What a year this has been for us to remember! We came back to school as sophisticated Seniors and now feel a little sorry to think it's our last year of school.

The first thing we did was to select our class

rings, which is always a big event in any school. We kept our hands in the air for many a week.

Then came the Homecoming Dance, Varsity, Sock Hops, Banquet and Prom and, most wonderful of all, our graduation.

We, the Seniors of 1951, leave our seat in chapel to the new Senior Class of '52.
